

## HAVEN VOLUNTEERS Q & A

---

### Q: Where and when are volunteers needed in Haven?

#### -Haven Friends Live

As of November 2021, our Haven services, known as “Haven Friends Live” (HFL), meet every other Saturday from 5:00pm to 6:15pm. This is where we encourage volunteers and their families to come and hang out with our Haven friends and families. You can just come and be a part of the fun or take a role in one of the following positions:

- |                               |               |                    |                          |
|-------------------------------|---------------|--------------------|--------------------------|
| -Planning                     | -Decorating   | -Craft Leader      | -Activity Leader         |
| -Door Monitor                 | -Set Up       | -Snack/Hospitality | -Welcome/Check-in Leader |
| -Break down                   | -Tech Support | -1:1 Buddy         | -Music/Dance Leader      |
| -Coach for older Participants |               |                    |                          |

*(Time commitment: Two hours, one or more Saturday per month)*

#### -POS+ABILITIES

One-to-one buddies are needed for children that come to the regular Sunday School classes but need extra support to succeed.

*(Time commitment: about an hour and a half, two Sundays a month during one regular Sunday service)*

### Q: I want to help, but I don't really want to work directly with the Haven participants. Is there anything I can do?

YES! Helping with set-up and clean-up are a terrific way to serve this ministry! Monitoring the doors during Haven services is an especially key role to keep our kids safe! We can always use creative minds to help us come up with great games, crafts, and music ideas! Special event planning, tech support, mailings, assisting with the lending library,...there are many ways to help! Let's talk about it 😊

### Q: I feel uncomfortable about behaviors in the participants.

Haven services are a lot of fun, and there honestly is a lot of chaos. However, we have several protocols to assure success for all:

- We intentionally pair participants with volunteers with the right experience.
- We provide training.
- Escalating behaviors are handled by the lead or co-lead in the room.

Don't see your question above? We would love to hear from you! Please email us at: [haven@damascus.com](mailto:haven@damascus.com)
