Not sure
where to start?
**Take the online
assessment.**

The **ALL IN Pathway** is a strategy to help you move toward Christ-centered maturity - *there is always a next right step!* We want to be a church where community is flourishing and people are personally connected to Jesus, serving and sharing Him with joy.

Generally, most who embark on this exciting journey find themselves in one of four categories:

- **EXPLORING** - asking questions about faith & Jesus
- **BEGINNING** - new to faith or taking my first steps
- **GROWING** - regularly meeting with Jesus & am being changed into His likeness
- **OVERFLOWING** - continually maturing and helping others to grow in their faith

And we have developed suggested "next right steps" to help you progress in each area of your spiritual growth. If you're unsure of where to start, use this online assessment tool at <https://su.vc/drccpathway> or scan:

If you've taken the DRCC pathway assessment, are new to Damascus Road, or simply believe that you're in the **"exploring faith, God, and Damascus Road"** phase, you are in the right place!

Damascus Road offers multiple opportunities throughout the year designed to help you grow in faith, community, and service. This **ALL IN** growth track in your hands outlines some recommendations if you're in that **'seeker'** phase to help you navigate your journey to a fully-devoted life in Christ.

Don't think of this as a to-do list to simply check off, but use the recommendations as a tool to help you find which opportunities will meet your needs.

But don't stop here! Once you have taken advantage of these opportunities for growth and find yourself ready for more, pick up the **BEGINNING IN FAITH & TAKING FIRST STEPS** trifold at the Welcome Center or download it on the Damascus Road website: www.damascus.com/pathway.
