

IMMERSE JUNIOR

Immerse Junior is a simplified reading plan that is loosely based on Immerse, geared toward families with children Preschool-3rd grade. It is meant to help families get into the habit of diving into the Bible with your younger children. They are never too young to hear stories of the Bible and learn who Jesus is! Please plan to set aside time 2-3 days a week for the 8 weeks of Immerse to complete the Immerse Junior Family Challenge with your children!

Below you will find a basic road map of Bible stories/topics along with Bible story videos or songs that loosely coincide with what we are reading as adults in Immerse. The scripture reference next to each day will help you identify the section from your own Immerse reading. You can either read the Bible story to your children from a children's bible like The Beginner's Bible or just give a summary of the story yourself. After that, show the video and spend some time talking about it with your children. You can use the discussion questions provided or come up with your own, based on your child's age and understanding. Just have fun with it and enjoy the time getting into the Word as a family. There is nothing like watching scripture come alive to your children!!!
